TUCK'S POST CARD.

CARTE POSTALE.

POSTKARTE.

GUERNSEY.—Lion Rock, Cobo. The Lion Rock, Cobo Bay, takes its name, as can be seen in the picture, from its striking resemblance to the head of a crouching lion. The sands of the bay are wide-stretching and well adapted for bathing. Cobo is also a celebrated spot for beautiful coral-lines, sponges, and rare sea anemones.
